BHS Scotland presents a Continuing Professional Development day

Equine biomechanics with Catriona Goulding
and
Jumping with confidence with Eric McKechnie
Co-hosted by Jo Winfield FBHS

Wednesday 9 June 2010 at SNEC, West Lothian EH52 6NY
and

Wednesday 29 September 2010 at Cabin EC, Aberdeen AB51 0LL

In this "two subjects for the price of one" training day bonanza, you will hear about:

Equine biomechanics (am)

Catriona is one of Scotland's most qualified equine physiotherapists. In this session she will cover muscle and skeletal structure, function and movement. Working with two very different horses, we will re-cap basic structure then work on the lunge so you can see how the different muscle groups work within each pace and in different outlines. You will be able to see the differences for yourself, as the horses will be painted to show the skeleton and major muscle groups.

Jumping with confidence (pm)

Join Erik McKechnie in the afternoon as he considers how to develop confidence in both horse and rider when jumping.

Cost: **Whole day:** £20.00 for BHS Registered Instructors; £25.00 to all others. **Half day:** £15 to all.

Your cheque reserves your place. Please send SAE if you want a receipt. Catering facilities will be available. Counts as CPD for registered instructors if you attend the whole day.
