

Birthday Parties at The Cabin

Whether your child and their friends are experienced riders, complete beginners or a mixture anywhere in between, here at The Cabin we can provide a variety of options for birthday parties. To book, or for any further queries please phone 01467 624378.

Option 1

1 hour riding and /or stable management (grooming, feeding, tacking up etc)
£25 per person

Option 2

As above plus cafe hire. Bring your own food etc and make the most of your party time with exclusive use of our cafe facilities for your guests.
£25 per person + £10 for cafe hire.

Option 3

As above plus party food. We can also supply a basic birthday cake or bring your own. Please inform us of any special dietary requirements when booking.
£30 per person.

We can do parties for between 4 and 10 riders with a minimum age of 4 yrs. Parents should be aware that young children who are not used to horses usually prefer to have someone they know with them while they get used to their equine friend and come wearing substantial shoes.

It is entirely your choice whether to have all riding, all stable management or a mixture. It may also be possible to hack, depending on the numbers and experience of the riders. Just let us know when you phone to book.

Please download our rider registration form and send out with your party invites. All riders must have one signed by a parent or guardian (if under 16) before they can take part in any activities at the Cabin.

Please also see our guidelines for dress and pass them on to the parents of your guests. If they wish they can change into party clothes after riding (options 2 and 3 only).
